

READING PASSPORT

Welcome to Baxter Memorial Library's
Adult Summer Reading Program

Gorham Goes Global!

This year we encourage you to
read all around the world!

Find books that are:

- set in...
- written by authors from...
- about the people/culture/history/landscape
of...

...each of the seven continents
(in addition to the North Pole)

during the eight weeks of summer reading.

Throughout the summer visit the library
to get your passport stamped for

each continent you read, then turn in your
reading passport at any progress point by

Friday, August 12th

for entry in the random prize drawings!

Only complete cards will be eligible for the
Grand Prizes.

***Remember to write your name and contact info
on the back of your reading passport***
