July/ August Greetings from
Baxter Memorial Library

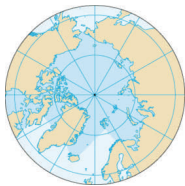

BAXTER MEMORIAL SUMMER READING PROGRAMS – NOT JUST FOR KIDS!
Adults, stop by the library and pick up your own summer reading challenge, **READ AROUND THE WORLD** reading passport. To successfully complete your passport, find books that are set in, or written by authors from, or about the people/culture/history/landscape of each of the seven continents (in addition to the North Pole) during the eight weeks of summer reading.

You can also visit our website www.baxterlibrary.org to print off a copy of the reading passport and book suggestions for the difficult continents like Antarctica!

Turn in your passport by Friday, August 12, 2016 for entry in the random prize drawings! If you complete the challenge of reading all 8 continents (including the North Pole) you are eligible to win some amazing prizes: Gift certificates for DiMillo's, MK Kitchen, The Bookworm, tours of the Victorian Mansion in Portland, and much more.

Even if you don't get all 8 continents submit your passport and you can still win something in the raffle! We have a shelf full of quality paperback books to choose from along with a few Advanced Reader Copies of upcoming books!

Grand Opening of the Graphic Grotto at Baxter Memorial Library

Baxter Memorial Library is proud to announce the grand opening of their new teen/tween space, the Graphic Grotto. The Youth Services Department, along with Gorham Department of Public Works, the Phinney family, the Conner-McCoy family, and The Friends of BML transformed an underutilized meeting room into an amazing space to house the graphic novel collection. The ribbon cutting ceremony will be held on Thursday, July 21st at 10:30am. Patrons are encouraged to stay for the celebration that follows. There will be snacks, crafts, music and fun. This is an all age event and costumes are highly encouraged. For more information about the event please contact Heidi Whelan at 222-1190.

ALL EVENTS ARE FREE AND OPEN TO THE PUBLIC

Youth Services Summer Reading Program 2016

Visit the library to join our Summer Reading Program! We have great prizes!

We will also offer a Wee Readers program for children 2 years old & younger. The babies win a board book by completing the Wee Reader program. The final day of summer reading events is Friday, August 12th, although you have until the new school year starts to finish your 16 hour reading game sheet. Don't rush your reading as the prizes are "released" every few weeks.

After 4 hours of reading, you win a bookmark. **After 8 hours of reading**, you win a free Subway kid's meal.

After 12 hours of reading, you win a book from Baxter Library. **After 16 hours of reading**, you win a small pizza from Domino's Pizza.
