Children's Summer Reading Program 2018: Fairy Tales

Fill in the rainbow as you read and earn great prizes: Bookmarks, Subway kid's meals, books, and pizza!!

The first 450 kids (16 & younger) to sign up will get a free ticket to a Portland Sea Dogs game.

The final day of the program is **August 15th**, although you have until the last day of August to finish your 16 hour reading game sheet and collect your prizes.

We also offer a Wee Readers program for children 2 years old & younger.

Tales as old as time: Adult Summer Reading Bingo

This summer we focus on Fairy Tales! Or, more accurately, how Fairy Tales contain universal and timeless storytelling elements that carry over to today. People venturing into the woods? Searching for happiness? Overcoming adversity? Finding true love?

Each participant will receive a bingo card with thematic elements traditionally associated with folklore, fairy tales, and legends. The goal is to find those elements within modern fiction as you make your summer book choices.

Throughout the summer, get your bingo card stamped for each book you read. Turn in your bingo sheet, regardless of how many squares you fill in, by **Friday, August 17th**, to receive our fun participation prizes and an entry into the raffle drawing. A straight Bingo and full card Bingo will be eligible for our grand prize drawing!

Fantastical Beasts!!

Tuesday, June 26th 10am-11am

Have you ever wanted to conjure up a centaur? Make a unicorn fly? Or draw a fire-breathing dragon? Join author/illustrator, Kevin Hawkes, in a fantastical beasts puzzle-making workshop. During this workshop, Kevin will demonstrate techniques for young artists to help them create their favorite mythological creatures or invent new ones that have never been seen before. We will be drawing our own puzzles to take home. Geared towards ages 8 & up. Registration is required.

Animal Refuge League Visit

Friday, June 22 10am

The Animal Refuge League of Greater Portland will be visiting the library to present a pet themed story time. The humane educator will teach us how to tell how animals are feeling. We will do some pet themed yoga to practice pet body language and then get to practice meeting a new animal with a furry friend! Consider bringing a pet supply to share with a needy animal. All ages welcome!

*After the program (around 11am), we will be hosting an all ages meet and greet with Kevin. Books will be available for sale to be signed.
